

# Weekly Report

Lin Bingru

2018.12.10 – 2018.12.16

## Practices

- Add multilevel model version and non-curvefitting version of result analysis to the scatterplot perception project.
- Crawling data of RIDS, Lat and Lng according to LAC and CI of the global telecommunication network project.
- Learn *Visualization Analysis & Design*.

## Future Work

- Continue working on the scatterplot perception project.
- Try to visualize the domestic network data of the global telecommunication network project.
